Web Site

- <http://www.edwardpierce.net>
- Note – this is not a National University site
- Hence – you can access this anytime
- It has screening tests
- And a Jeopardy game for this course
- Other information on the website includes:
 - Bibliography
 - Links

Final Exam

- 50 questions
- Read the book carefully first.
- Then review the slides
- If you run into a problem, send me a message and I'll help resolve it.
 - Use the telephone if you need to

Wrap up

- Check to make sure you have submitted all assignments
- I wait until grades are due to submit them, so if an assignment is missing, submit it as soon as possible.
- Don't worry much about grades
- Thank you for an enjoyable class!
